

## **Overview**

We are looking for a Senior Vice President / Director to join our Magellan Capital team in Dubai. Our ideal candidate is currently working in the Leveraged Finance team at a bulge bracket investment bank.

We are a growing DIFC-based investment management firm. Our team in Dubai is growing rapidly and as we double in size this year, we are looking for a Senior Vice President / Director to join our team.

Our team is young, multi-cultural and ambitious. We have an entrepreneurial environment and highly value a good cultural fit.

## **The Role**

Our ideal candidate is an enthusiastic, driven and committed individual, who can take initiative and work equally as effectively independently and in a team.

We offer competitive base salary and incentives.

## **What We Look For**

- Currently a VP III or a Director in the Leveraged Finance / M&A team within a bulge bracket investment bank
- Track record of originating, structuring and executing complex transactions across various industries and various regions - leading both individual workstreams as well as entire deals
- Excellent communication skills, both written and verbal, with the ability to present complex information in a clear and concise manner
- Strong analytical skills
- Strong attention to detail and organisational skills
- Ability to work collaboratively in a team environment and to manage people
- Driven, energetic and resourceful self-starter who takes initiative and has a positive mindset

## **Key Responsibilities**

- Lead the origination and execution of new transactions
- Present investment opportunities at the company's Investment Committee meetings
- Support with managing and monitoring existing portfolio companies
- Manage the team of investment professionals, providing guidance and mentorship to ensure their professional growth and ability to succeed
- Contribute to the overall strategic direction of the private investments team - work closely with the Chief Investment Officer and other senior investment professionals to help build out and lead the Magellan Capital team
- Build and maintain strong relationships with key stakeholders
